

family, resident, and staff update

April 22, 2022

COVID -19 Outbreak

Dear Chateau Vitaline families, residents, and staff,

We learned today, Friday, April 22nd that one resident on the 1st floor and another resident on the 2nd floor (excluding Amber Cove) have tested positive with Covid-19 and have been on isolation since their symptoms have started.

As precautionary measures, the whole building is in outbreak status which means:

- All visitors must be masked at all times-no eating or drinking while in the building
- No group activities where people cannot be socially distanced

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health (MOH) and Alberta Health Services (AHS). We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at covenantcare.ca by 6 pm every Thursday. Please direct questions to the Resident Care Manager, Azmina by calling the main line at 780-929-9000 or by email admin@covenantcare.ca as an alternative.

Staff at Chateau Vitaline thank you for your continued support, and assess residents for their continued health and safety at this time. We will update you with any new information and ask you to continue to be diligent with precautions. Please do not visit the site if you are unwell.

Please stay healthy and safe.
