OUTBREAK ALL CLEAR

Dear Villa Marie families, residents, and staff,

We are pleased to let you know that the COVID outbreak at Villa Marie has been lifted.

The individuals who tested positive are doing well and have made a full recovery. At this time we have no symptomatic staff or residents.

We continue to monitor everyone closely. All restrictions have been lifted with the exception of continuous masking. Please ensure while in the building that you are continuously masking to keep residents and staff safe.

Thank you for your patience, understanding, and support it has been a long 6 weeks we are excited to get back into recreational programming and seeing everyone out and about again.

We ask you to only visit if you are healthy and ensure to follow all masking protocol while in the building.

As always, you are welcome to contact Lisa Manning, Site Administrator, at 403-406-5700 or email admin@covenantcare.ca with questions or suggestions.
