

Resident, staff, and family update

December 16, 2022

COVID OUTBREAK ALL CLEAR

Dear St.Teresa Place Residents, Staff, and Families,

We are pleased to let you know that the COVID outbreak at St.Teresa Place has been lifted. A total of 51 residents and 10 staff tested positive. All individuals are doing well and have made a full recovery.

We continue to monitor everyone closely. All added restrictions associated with the COVID-19 outbreak have been lifted. Thank you for your patience, understanding, and support. On the other hand, some restrictions remain in place on Joy East due the Gastrointestinal Outbreak that was declared on December 14, 2022.

There are still many communities within the Calgary Zone that remain on COVID-19 outbreak, and we kindly ask that everyone continue to follow safety precautions and avoid visiting if you have any symptoms.

As always, you are welcome to contact Emile Enongene, Site Administrator, at 587-619-7116, or email stp.admin@covenantcare.ca with questions or suggestions.
