WHO IS COVENANT CARE?

Covenant Care, a non-profit partner in Alberta's integrated health system, was established to respond to the growing need for seniors' services in Alberta. We are committed to innovative approaches that support seniors in a caring community where they can thrive.

Rooted in a 150-year legacy of Catholic health care in the province, we offer an enriching place to live and work, respecting dignity and individual choice, encouraging a spirit of creativity and hope and nurturing each person's potential—body, mind and soul.

WHAT'S IN A NAME?

The name Chateau Vitaline draws on the rich history of the Francophone culture and the Catholic church in Beaumont. It derives its name from St. Vital, patron saint of Bishop Vital Grandin, who was Bishop at the time of the founding of the parish in Beaumont (1895). Vitaline is the feminine form of Vital, and it means life-giving, alive and vibrant.

Marie-Vitaline is the name of the bell that rings each day in the bell tower of St. Vital Church. The 2000 pound bell is a symbol of faith, hope, resilience, community spirit and vigilance. The bell celebrates the rhythm of daily life, ringing three times per day.

Chateau is the French term for manor or country house. The name suggests nobility and dignity.
