WHO IS COVENANT CARE?

Covenant Care, a non-profit partner in Alberta's integrated health system, was established to respond to the growing need for seniors' services in Alberta. We are committed to innovative approaches that support seniors in a caring community where they can thrive.

Rooted in a 150-year legacy of Catholic health care in the province, we offer an enriching place to live and work, respecting dignity and individual choice, encouraging a spirit of creativity and hope and nurturing each person's potential—body, mind and soul.

WHAT'S IN A NAME?

Villa Marie's name celebrates Red Deer's rich Catholic history and recognizes Sister Marie Agathe, the first Superior of the Daughters of Wisdom in Alberta. The name Marie also honours the Virgin Mary as the "Mother of Wisdom," and it was a common name among the Sisters who served in Red Deer.
