

# Video Conferencing with Residents

During this challenging time, Covenant Care is providing options to remain in touch with your loved ones via video conferencing.

## IOS Facetime:

**To reach a resident via Facetime please follow these instructions on your personal mobile device:**

1. Open the Facetime app from your device and create an account or login with an existing account
2. Provide Resident with your imessage number or email, so they can contact you via Facetime
3. Schedule a time with the Site to receive the call by calling the site phone number.
