VILLA MARIE COVID-19 OUTBREAK ALL CLEAR

Dear families, residents, and staff,

We are very pleased to let you know that Villa Marie has been cleared of outbreak by the Medical Officer of Health. We are free of COVID and are once again in outbreak prevention. We continue to monitor everyone very, very closely to ensure health and safety.

We are proud of our staff for their vigilance in following all protocols and are grateful for the understanding of residents and families.

Residents and their designated visitors can once again pre-book visitation using the online booking system. COVID continues to persist in the province and we ask that you continue to be cautious about your potential exposure to the virus before visiting the centre.

If you have any questions, please contact your Site Lead at 403-406-5700 or email admin@covenantcare.ca.

Please stay healthy and well,
