NOTICE OF CONFIRMED COVID-19 OUTBREAK

Dear families, residents, and staff,

We learned yesterday that one of our staff members in pharmacy has tested positive for COVID. The nature of this outbreak is restricted to the pharmacy area; no residents are impacted and no additional protocols are required.

We are monitoring the outbreak closely and are continuing to follow all infection prevention and control precautions. Rapid screening is being offered to all staff as a precautionary measure.

As always, daily updates on the outbreak will be posted online each weekday on the [Covenant Care](#) website by 6 pm.

Please direct questions to your Site Administrator at 403-975-8408 or email admin@covenantcare.ca.

With the number of positive COVID cases in the province, please do everything you can to stay healthy and safe.
