COVID-19 OUTBREAK ALL CLEAR

Dear families, residents, and staff,

We are pleased to let you know that Holy Cross Manor has been cleared of outbreak by the Medical Officer of Health. We are once again in prevention mode.

Thank you to residents and families for your patience and support. We understand that it is worrisome when we are in outbreak. Transmission was completely contained and no other staff or residents were impacted. As always, we are grateful to our staff who responded with calm, confidence, and compassion.

As the number of positive COVID cases, including variants of concern, continue to rise in our province, we encourage everyone to be vaccinated. The provincial government has opened eligibility for immunization even further in the last few days. If you are eligible, please book an appointment and be vaccinated. Information on all the available vaccines is available on the Alberta Health, Alberta Health Services, and Canada Health websites. You can book an appointment by calling 811 or your local pharmacy.

If you have any questions regarding Holy Cross Manor, please direct questions to your Site Administrator at 403-975-8408 or email admin@covenantcare.ca.

Please stay healthy and safe.
