

resident, family, and staff update

May 17, 2021

COVID-19 OUTBREAK UPDATE

Dear families, residents, and staff,

We are pleased to let you know that all Dulcina Hospice residents and staff have tested negative for COVID, following the notice of outbreak sent to you last week. All residents, except for the individual who tested positive last week, are no longer required to be in isolation.

We will continue to be on outbreak status until at least June 9, 2021 as the Medical Officer of Health requires a certain time period between a confirmed positive case and no new cases before the outbreak status can be lifted.

We continue to monitor everyone very closely and are following all safety protocols. Visitors are welcome to spend time with their loved ones in the hospice.

Updates on the outbreak will be posted on the COVID page on the [Covenant Care](https://www.covenantcare.ca) website on weekdays by 6 pm (covenantcare.ca).

Please direct questions to your Manager at 587-230-5500 or email admin@covenantcare.ca.

Please take very good care of yourselves and stay safe.

Derrick Bernardo
President

JoAnn Molloy
Vice-President, Resident Experience
