

resident, staff, and family update

October 4, 2021

OUTBREAK ALL CLEAR

Dear residents, staff, and families,

We are pleased to let you know that Foyer Lacombe has been cleared of outbreak. We are once again free of COVID and on outbreak prevention status. The outbreak was contained and no residents were impacted.

Thank you to residents for their support and good humour, to our team for responding with professionalism and care, and to families for your understanding and patience.

The COVID situation across the province continues to be worrisome. There are over 20,000 people who currently have COVID in Alberta. Please do everything you can to stay healthy and safe. Vaccination continues to be the best way to protect yourself, the people you love, and the community. Please be sure you are fully immunized with both doses. If you require a vaccine call 811 to book a time. Now more than ever we must be extremely cautious and follow all public health protocols completely.

Should you have any questions please direct them to your Resident Care Manager at 587-336-4162 or 780-884-6561 or email admin@covenantcare.ca.
