

resident, staff, and family update

January 2, 2022

COVID Outbreak

Dear Residents, Staff, and Families,

We are sorry to report that we have a confirmed outbreak of COVID-19 at Villa Marie. The outbreak is currently affecting staff members (exposure dates of December 29, 2021 and January 1, 2022) and there are currently not any positive residents. Rapid Antigen Testing of residents and staff will take place in the next 2 days

The Villa Marie Care Team has been and continues to be in communication with the Alberta Health Services CDC Team in order to ensure all appropriate interventions are implemented. At the current time, there are not any new interventions to implement. As soon as we receive further direction from Alberta Health Services, we will update you.

Staff at Villa Marie continue to diligently monitor all residents for their continued health and safety at this time. If you have any questions or concerns, please contact the Site Administrator, Lisa, by calling the main line at 403-406-5700. An email can be sent to admin@covenantcare.ca as an alternative.

Please stay healthy and safe.

Virginia Roth, Interim Resident Experience Director, Virginia.Roth@covenantcare.ca

Michelle Charlesworth, Resident Experience Director, Michelle.Charlesworth@covenantcare.ca
