COVID-19 OUTBREAK UPDATE

Dear Villa Marie families, residents, and staff,

We learned yesterday that two residents have tested positive in our first-floor cottage.

Prevalence testing has already been administered for residents in the cottage. We expect to receive the test results in the next day or two.

As precautionary measures, we have temporarily suspended recreational and other activities and ask that only designated support persons visit on the first-floor cottage. We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at covenantcare.ca by 6 pm every Thursday. Please direct questions to Lisa Manning, Site Administrator, at 403-406-5700 or email admin@covenantcare.ca.

Thank you for your support. Please continue to stay healthy and safe.
