COVID-19 OUTBREAK ALL CLEAR

Dear residents, staff, and families,

We are pleased to let you know that we have been cleared of outbreak status at St Teresa Place.

We are saddened that one resident passed away during the outbreak. Our thoughts and prayers are with the resident's family, friends, and care team. The remaining 45 residents who tested positive have recovered. Forty-seven staff have recovered with one staff member in isolation.

As always, thank you to our team for your expertise and confidence, to residents for your support and resilience, and families for your encouragement and patience.

Navigating a COVID outbreak takes the effort of an entire team. Our staff worked closely with Alberta Health Services, the Medical Officer of Health's office, Communicable Diseases and Infection Prevention and Control to ensure all protocols were followed. Every effort was made to create a safe environment.
