

family, resident, and staff update

August 10, 2022

OUTBREAK ALL CLEAR

Dear Villa Marie families, residents, and staff,

We are pleased to let you know that the COVID outbreak at Villa Marie has been lifted.

The individuals who tested positive are doing well and have made a full recovery. At this time we have no symptomatic staff or residents.

We continue to monitor everyone closely. All restrictions have been lifted with the exception of continuous masking. Thank you for your patience, understanding, and support.

We ask you to only visit if you are healthy and ensure to follow all masking protocol while in the building.

Please note that as of Thursday August 11th we will no longer have screeners at the front door, we ask all visitors to sign in and ensure that they are healthy and have a mask on when coming into the site. We are also no longer able to deliver items to residents as that was a role that the screeners full filled, if you have deliveries please ensure that they are able to be delivered to the resident room

As always, you are welcome to contact Lisa Manning, Site Administrator, at 403-406-5700 or email admin@covenantcare.ca with questions or suggestions.
