COVID-19 OUTBREAK ALL CLEAR

Dear families, residents, and staff,

We are very pleased to let you know that the COVID-19 outbreak at Centre de Santé Saint-Thomas was cleared by the Medical Officer of Health today. We recognize that the outbreak lasted several weeks and 15 residents who tested positive all have made a full recovery. Thank you for your patience and support.

We are once again in prevention mode. We continue to monitor everyone very closely and are following public health directives.

Please do all you can to remain safe. If you feel unwell, please postpone your visit with your loved one. Continuous masking protocols remain in place.

If you have any questions, please contact your Site Administrator at 780-450-2987 Ext. 221 or email admin@covenantcare.ca.

Please take very good care,

Leanne Gugenheimer
Site Administrator
