

# family, resident, and staff update

January 15, 2024

## Respiratory and GI Outbreak

Dear St. Marguerite Manor families, residents, and staff,

**We learned January 15, 2024 that 3 residents on Memory Care 3 have Covid.** All the residents who are sick in the impacted area are isolated and being closely monitored. Our team is working diligently to contain the outbreak.

As precautionary measures, we have:

- Residents who are symptomatic have been isolated to their rooms and are provided with tray service.
- All other residents are also being monitored for symptoms.
- Recreational activities have been halted on the affected units.
- Staff on the outbreak units are continuously masking and wearing eye protection.
- Visitors to the affected units are encouraged to mask and wear eye protection.
- Implemented high touch cleaning 3 times daily to the affected units.

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at [covenantcare.ca](https://covenantcare.ca) by 6 pm every Thursday. Please direct questions to me at 587-230-2702 or email [admin@covenantcare.ca](mailto:admin@covenantcare.ca).

Thank you for your support patience and understanding as we navigate through these times.
