COVID-19 Outbreak update

Dear St Teresa Place families, residents, and staff,

Since our last communication on January 19, 2024, there have been two more residents who have tested positive for COVID 19.

At this time, we have the following number of cases:

- Three residents on Joy West
- Five residents on Hope West
- Three residents on Grace West
- Three staff members

I would like to clarify a mistake in last week's communication, that there are no COVID positive residents on Kindness or any additional neighborhoods.

As precautionary measures, we have:

- Placed all symptomatic residents on isolation with tray service. Regular dining service is in place for all other residents.
- Cancelled all big group activities in the affected areas. Small group activities with non-sharable items or 1:1 activities will continue.
- All staff are required to wear a mask and face shield in all neighborhoods.
- We highly encourage all visitors to wear a mask and face shield when visiting.

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at covenantcare.ca by 6 pm every Thursday. Please direct questions to me at 587-616-7116 or email STP.Admin@covenantcare.ca.

Thank you for your continued support, patience, and understanding.
