

Family, resident, and staff update

21st May, 2024

Dear Foyer Lacombe families, residents, and staff,

We have a confirmed Covid-19 outbreak, site wide, with two positive residents on Isolation and two positive staff.

All staff, visitors and Family members must adhere to IPC guidelines. Masks are to be worn when entering the facility to visit relatives. Please adhere to the signage when entering the facility.

All Resident placement and signage are in place.

All staff must conduct a point of care risk assessment prior to every resident interaction. A mask and goggles/shield must be worn in all common areas, and proper Personal Protective Equipment as signage shows when entering rooms of positive residents.

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely. As with previous outbreaks, the outbreak status will be updated at covenantcare.ca by 6 pm every Thursday. Please direct questions to me at 5873364162 or email admin@covenantcare.ca.

Thank you for your continued support, patience, and understanding.
