## COVID-19 Outbreak Declared

Dear St Teresa Place families, residents, and staff,

We learned on May 5th, 2024 that three residents have tested positive for COVID-19 on Grace East. Due to this, Grace East as of yesterday has been declared on outbreak. All affected residents at this time are doing well.

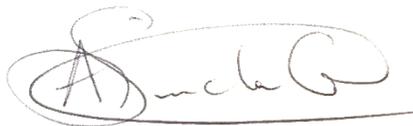

As precautionary measures, we have:

- Placed all symptomatic residents on isolation with tray service. Regular dining service is in place for all other residents.
- Cancelled all big group activities in the affected area. Small group activities with non-sharable items or 1:1 activities will continue.
- All staff working in the affected area are mandated to wear continuous masking and eye protection
- Placed no restrictions on visitation.
- We highly encourage all visitors to wear a mask and face shield when visiting the affected neighbourhood

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at [covenantcare.ca](https://covenantcare.ca) by 6 pm every Thursday. Please direct questions to me at 587-616-7116 or email [STP.Admin@covenantcare.ca](mailto:STP.Admin@covenantcare.ca).

Thank you for your continued support, patience, and understanding.

Allison Sinclair-Graham
