June 6, 2024

## COVID-19 Outbreak update

Dear St Teresa Place families, residents, and staff,

Since our last communication on May 30<sup>th</sup>, 2024, there have been no additional case. All positive residents have been fully recovered.

However, Hope West remains on outbreak and the tentative lift date is June 11<sup>th</sup>, 2024.

All staff on Hope are expected to continue to observe continuous face masking and eye protection; visitors and family are encouraged to do the same.

All precautionary measures remains in place for Hope. We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at [covenantcare.ca](https://covenantcare.ca) by 6 pm every Thursday. Please direct questions to me at 587-616-7116 or email [STP.Admin@covenantcare.ca](mailto:STP.Admin@covenantcare.ca).

Thank you for your continued support, patience, and understanding.

Allison Sinclair-Graham,

Resident Care Manager, on behalf of Emile Enongene
