COVID-19 Outbreak Declared

Dear St Teresa Place families, residents, and staff,

We learned on November 14, 2024 that two residents tested positive for COVID-19 on the Grace West neighbourhood. Grace West has been declared on outbreak. All affected residents at this time are doing well.

As precautionary measures, we have:

- Placed all symptomatic residents on isolation with tray service. Regular dining service is in place for all other residents.
- Cancelled all big group activities in the affected area. Small group activities with non-sharable items or 1:1 activities will continue.
- Placed no restrictions on visitation.
- We highly encourage all visitors to wear a mask and face shield when visiting the affected neighbourhoods.

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at covenantcare.ca by 6 pm every Thursday. Please direct questions to me at 587-616-7116 or email STP.Admin@covenantcare.ca.

Thank you for your continued support, patience, and understanding.
