

# family, resident, and staff update

January 23, 2026

## ILI Outbreak (Influenza-Like Illness) on Wellness 3

Dear St. Marguerite Manor families, residents, and staff,

**We learned Thursday, January 22, 2026 that 7 residents on Wellness 3 have ILI (Influenza-Like Illness).**

As precautionary measures, we have:

- Residents with symptoms are on isolation and will be on tray service for meals
- All residents on Wellness 3 will be monitored and screened for symptoms daily
- Enhanced High Touch cleaning scheduled on Wellness 3
- High risk Recreation Activities will be put on hold (bus outings, singing, baking)
- Co-horting of staff on affected neighborhood (Wellness 3)
- Hair Salon remains open for all **asymptomatic** residents
- Residents can continue to receive visitors, if visiting a resident on isolation you will be required to wear appropriate PPE (personal protective equipment)
- If you have symptoms of any kind , please refrain from visiting at this time

We are doing all we can to contain the outbreak, working closely with our zone's Medical Officer of Health and Alberta Health Services. We are monitoring residents very closely.

As with previous outbreaks, the outbreak status will be updated at [covenantcare.ca](https://covenantcare.ca) by 6 pm every Thursday. Please direct questions to me at 403-975-8408 or email [admin@covenantcare.ca](mailto:admin@covenantcare.ca).

Thank you for your continued support, patience, and understanding.
