# Resident, Family, and Staff Update

November 13, 2026

Dear St. Teresa Place Residents, Families, and Staff,

I am writing to provide an update regarding the Influenza A (H1N1) outbreak at St. Teresa Place. We are pleased to share positive news: **the outbreak has officially been declared over.**

This outcome reflects the dedication and hard work of our staff, as well as the cooperation, understanding, and patience of our residents and families. We sincerely thank you for your support and adherence to the required safety measures, which were essential in bringing the outbreak to a close.

As we transition back to regular operations, this will occur in a thoughtful and gradual manner. While restrictions are lifting, we will continue to emphasize strong infection prevention practices and remain vigilant to protect the health and safety of everyone in our community.

If you have any questions or concerns, please do not hesitate to contact the community leadership team.

Thank you for your continued trust and support.

Sincerely,

Emile Enongene
